About This Game

The miracles of Christ are not just ancient wonders. They reveal who God is — compassionate, powerful, near to the suffering, and faithful to His people. Miracles and Mercy invites the whole family to explore these signs and discover what they mean for our lives today.

> **Formation Goal:** Connecting miracles to faith, prayer, and the mercy of God — not as past spectacle but as present reality through the sacraments and intercession of the saints.

Components

- **30 Miracle Cards** — each with a miracle, Scripture reference, narrative, and discussion questions
- **Rules** (this sheet)
- **Leader Guide** — deeper theological reflections for facilitators

Setup

1. Print the miracle cards on cardstock and cut along borders.
2. Shuffle and place face-down in a stack.
3. Sit together as a family or group.
4. Open with the Lord's Prayer or a brief invocation.

How to Play

1. The youngest player draws a card and hands it to an adult to read aloud.
2. Read the **miracle title**, the **Scripture reference**, and the brief **narrative**.
3. Start with the **young ones** question (in gold text) so the smallest children can participate.
4. Then discuss the main questions together. There are no right answers — the conversation is the point.
5. Draw another card. Continue for as many rounds as feel natural (5-8 miracles is typical for one session).

Tips for Families

- **Let the young children answer first.** Their simplicity often opens the conversation beautifully.
- **It is fine to say "I don't know."** Miracles are mysterious by nature.
- **Connect to real life:** "Has God ever done something surprising for our family?"
- **Connect to church:** "Remember when we heard this Gospel reading in the liturgy?"
- **Do not rush.** Three miracles discussed well are better than ten read quickly.

Variants

- **Bedtime version:** One miracle card per night as part of bedtime routine.
- **Liturgical pairing:** Use the miracle card that matches this week's Gospel reading.
- **Art response:** After discussing, invite children to draw the miracle.
- **Acting out:** Young children can act out the miracle after hearing it.

> *"And truly Jesus did many other signs in the presence of His disciples, which are not written in this book; but these are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name."* — John 20:30-31
